The above table reads: If an application is submitted and membership is subsequently granted and the acceptance occurs during July the applicable dues for an Institutional Membership would be \$225 (plus the \$50 Application Processing Fee). The dues would pay the membership through 12/31/Of the same year. As of January 1 of the following year, that organization’s dues would increase to the Full Annual amount that may be applicable at the time. If an applicant applies and is accepted during the fourth quarter of the year, the Full Annual amount would be payable but the dues would be paid through 12/31 of the following calendar year.

Please note that dues are not refundable. In cases where an Institutional application is made but the applicant fails to meet the criteria, the alternative of Associate Membership will be offered and the \$50 Institutional application fee will be returned. However, if the organization accepts the Associate Membership and subsequently wishes to apply for a change of status to Institutional, the \$50 Application Fee will be required with the new application.

Should you have any questions regarding the calculation of or the submission of membership fees, please feel free to contact AAfPE’s Executive Offices for assistance.

No application for membership will be accepted unless accompanied by the appropriate dues.
